

## **Official Internship Offer - Microsoft**

Dear Candidate,

We are pleased to offer you an internship at Microsoft India as a Software Engineering Intern. This position is based in our Bangalore office.

Your start date will be June 1st, 2026. Please review your compensation package and onboarding requirements via the official Microsoft Careers portal:  
<https://careers.microsoft.com/internships>

Congratulations on your selection. We look forward to having you on the team.

Sincerely,  
Microsoft Recruitment Team
